Re the extension opposite to the Mysore Coffee Curing Works Ltd , at Chikmagalur

---

I have the honour to state that, while submitting proposals for the formation of the extension, it was suggested on 18-1-40 (vide this office No A3 C 1386/39-40) that a separate fund head account under Public Works Deposits may be opened to record the receipts and expenditure on the extension account The extension is being laid out by Government agency and the Executive Engineer, Kadur Division is the Chairman of the Extension Committee, which was formed as per your letter No L.7456/ dated 26th February 1940

2 Government have passed orders re the accounting of advances of Rs 1000 and Rs 4000/- respectively sanctioned in the Government Orders noted in the margin and no orders have been received so far re the accounting of the receipts and expenditure on account of the extension The Chairman of the Extension Committee has requested me to intimate the head of account in the Treasury to which the realisations from the sale of sites may be credited I request that orders of Government may be kindly obtained for following the procedure suggested in this office letter dated 18-1-40, re the accounting of receipts and expenpayments on account of the extension by opening a separate fund head account under P W Deposits
